

PUBLIC NOTICE

NOTICE IS HEREBY GIVEN that the Air Pollution Control Officer of the Butte County Air Quality Management District (District) has made a preliminary decision to conditionally approve applications filed by Wild Goose Storage, LLC (WGS), 2780 West Liberty Road, Gridley, CA, requesting preconstruction permits for the installation and operation of Two (2) Natural Gas Internal Combustion Engines powering Natural Gas Compressors with Selective Catalytic Reactor Controls and a Dehydration Unit with Contactor Towers, Two (2) Natural Gas-Fired Glycol Reboilers, One (1) Reboiler Still Vent with Thermal Oxidizer Control and One (1) Emergency Shutdown Relief Vent. WGS is required to obtain and apply emission reduction credits to offset the increase in Oxides of Nitrogen (NO_x) and reactive Volatile Organic Compounds (VOC) from the installation of the engines and related process equipment before a permit can be issued. The application, the District's preliminary analysis including proposed permit, and the WGS compliance history may be reviewed at District office at the address below or on the District website: www.bcaqmd.org. For additional information, please contact David Lusk at (530) 332-9400, ext. 107. Requests for a public hearing and/or written comments on the proposed action must be submitted by July 5, 2011 to: Butte County Air Quality Management District, 629 Entler Avenue, Suite 15, Chico, CA 95928.
